EFFECTIVE: OCTOBER 1, 2008
Residential electric deposits will be the greater of one month average consumption for that residence or $170.00 and a minimum of $50 for water (11/2010). Call for information on commercial deposits. The first bill includes a one-time $15 KUA Service Charge for next day service or beyond, and a $20 COK Sanitation Service Charge, where applicable. Bills are considered delinquent 18 days from the bill date, and a delinquent notice is mailed. If payment is not received by the delinquent notice due date, the utility will begin the forced collection or disconnection process.

Customers will see two payment levels on the bill. One level will be the amount of the bill if paid on or before the delinquent date. The second level shown is five percent (5%) more for payments made after the due date.

Additional deposits can be required if service is disconnected for nonpayment, checks have been returned by the bank for insufficient funds, the customer has write off accounts, the customer has filed bankruptcy (consistent with any court order), or tampering/ current diversion is found. Deposits and interest are refundable upon discontinuation of service, less the amounts due from the customer in the final bill. Deposits received prior to May 1, 2010 shall be governed by the previous tariff. If additional deposits are assessed after May 1, 2010, the entire deposit will be subject to the new tariff.

**SCHEDULE OF SPECIAL FEES** - Initiation of service: $15; Transfer of service or vacation turn on: $15; Forced collection charge: $25; Nonpayment disconnect at meter: $35, at pole/transformer: $100. Additional charges will apply for same day or after hour’s service.
